Town Warrant

STATE OF NEW HAMPSHIRE

{L. S.} To the inhabitants of the Town of Claremont, in the County of Sullivan, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the lower assembly room in the Town Hall in said town, on Tuesday, the eighth day of March next, at eight o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers for the ensuing year.

2. To see what sum of money the town will vote to raise to pay the town officers.

3. To see what sum of money the town will vote to raise to pay incidental expenses.

4. To see what sum of money the town will vote to raise for the support of schools for the year commencing February 15th, 1904, and ending February 15th, 1905.

5. To see what sum of money the town will vote to raise tor the repair of highways and bridges for the year commencing February 15th, 1904, and ending February 15, 1905, and determine how it shall be paid.

6. To see what sum of money the town will vote to raise to pay the debts of the town.

7. To see what sum of money the town will vote to raise for the support of the poor.

8. To see what sum of money the town will vote to raise for the support of the Fire Department.

9. To see what sum of money the town will vote to raise to pay for the use of hydrants.

10. To see what sum of money the town will vote to raise to pay for street lights and raise and appropriate money therefor.

11. To see what sum of money the town will vote to raise for expenses of Memorial Day.

12. To see what sum of money the town will vote to raise for the benefit of the American Band.

13. To see what sum of money the town will vote to raise to pay the Board of Education.

14. To see what sum of money the town will vote to raise in aid of the Claremont Cottage Hospital.

15. To choose a committee for Stevens High School for the ensuing year.

16. To determine the rate of discount the town will allow persons paying their taxes within such period as the town may designate.

17. To see if the town will instruct the selectmen to properly grade the ground around the new library building and procure the laying of such concrete in connection therewith as they may deem suitable and necessary at the expense of the town.

18. To see if the town will vote to adopt the provisions of Chapter 79 of the Public Statutes in regard to constructing a system of public sewers in said town.

19. To see what action the town will take in regard to constructing a system of public sewers in said town and raise and appropriate money therefor or borrow money on the notes of the town for said purpose.

20. To see what action the town will take in regard to having two regular policemen, one for day and one for night work.

21. To see if the town will vote to instruct the selectmen to appoint a Tree Warden and raise and appropriate the sum of $300.00 for the purpose of preserving trees and shrubbery and planting more where most needed along the streets and highways of Claremont.

22. To see if the town will raise and appropriate money to finish the third floor of the old library building for rental purposes and make any other alterations in said library building.

23. To see if the town will vote to raise the sum of fifteen hundred dollars for the purposes of the library to be applied agreeably to the contract of the town with Andrew Carnegie.

24. To see what sum of money the town will vote to raise or appropriate to defray the expense of furnishings for the new library building; and to see what action the town will take in regard to any other matters connected with the library of the town.

25. To see what action the town will take in regard to fire escapes for the Town Hall and Opera House, and in regard to raising and appropriating money therefor.

26. To see if the town will vote to raise and appropriate the sum of five hundred dollars to purchase new hose and ladders for the Fire Department.

27. To see if the town will vote to instruct the Board of Health to employ some person to collect garbage, and raise and appropriate money therefor.

28. To see if the town will vote to instruct the selectmen to purchase land suitable for a town dump.

29. To see if the town will appropriate a sum not exceeding fifteen dollars to place iron markers on Revolutionary soldiers' graves now unmarked.

30. To see if the town will take any action toward providing more hitching posts for teams in or near Tremont Square, and raise and appropriate money therefor.

31. To see if the town will vote the Fire Department the free use of the Town Hall one such night as they desire to hold their Annual Ball, when hall is not previously engaged.

32. To see if the town will vote to give the free use of the Town Hall at four different times during the year, when not otherwise in use, to the Ladies' Union Aid Society, for the benefit of the Claremont Cottage Hospital.

33. To see if the town will vote to establish new hydrants in different parts of the village as the Water Commissioners may direct the better to protect property from loss by fire.

34. To see if the town will vote to authorize the Trustees of Fiske Free Library to use a balance of $315.15 now in the treasury from rents, for the purchase of library books, in lieu of the income from the Fiske Fund.

35. To see if the town will vote to raise and appropriate Two Thousand Six Hundred and Eighty-eight Dollars to apply on payment of notes given to raise money for building North Street Schoolhouse

36. To see what action the town will take in regard to improving and beautifying Mountain View Cemetery, the avenues and roads leading to the same, and the lands adjacent thereto, and raise and appropriate money therefor.

37. To see what action the town will take in regard to improving the cemetery at West Claremont, and raise and appropriate money therefor.

38. To see if the town will vote to convey to the Roman Catholic Bishop at Manchester the cemetery at West Claremont known as the "Roman Catholic Cemetery," so far as the town has any ownership therein, upon condition that the town hall hereafter be exempt from all expense in connection therewith and burials therein; and to see if the town will authorize the selectmen to execute conveyance accordingly.

39. To see what sum of money the town will vote to raise and appropriate to defray the expense of observing Old Home Week.

40. To see if the town will vote to place a fire alarm box at West Claremont near the Norton Place, so called.

41. To see if the town will instruct the selectmen to place electric lights at Claremont Junction and West Claremont as may seem necessary.

42. To transact any other business that may legally come before said meeting.

Given under our hands and seal this twenty-second day of February, Nineteen Hundred and Four.

Claremont Water Works

REPORT OF COMMISSIONERS

The undersigned Water Commissioners of the town of Claremont, met on the 16th day of March, A. D., 1903, and organized by electing H. W. Parker, chairman; Geo. W. Paul, clerk; and Ira F. Chandler, treasurer. James L. Rice was appointed Superintendent at a salary of one thousand dollars

annually. The commissioners hereby submit their report for the year ending January 1st, 1904. The reports of the Superintendent and treasurer may be considered a part of this report. These show what has been done during the year by the department. It will be seen that the year has been a prosperous one in all respects.

The works have been extended very largely and are now in excellent condition, giving good service to the town. A new code of rules or by-laws went into operation July 1st, 1903. By these rules the water rates were not increased but the intention was to make the rates more equal and just. The Commissioners have made extensive examination and investigation of the rates charged for water in other localities, and they are of the opinion that the rates are lower in this town than in most towns in New England of the size of Claremont. The net income from the works is increasing yearly and is more than sufficient to pay the interest on the water bonds issued for the support of Stevens High school; but in this connection it should be remembered that the system is growing older and is necessarily wearing out and the time will come at no distant day when the town will be called upon to make more or less repairs and the surplus earnings can and should be used for that purpose.

On account of the unusual conditions in regard to water supply it has been necessary since January 1st, 1904, to use the pumping station in order to meet the demands of the public. The wells connected with the pumping station are found to be in perfect condition and furnish an excellent supply of pure water.

The whole property at present is in good condition and the town is very fortunate to possess so valuable a system of water works.

H. W. PARKER,
GEO. W. PAUL,
IRA F. CHANDLER, } Commissioners.

Dated Feb. 15, 1904.

SUPERINTENDENT'S REPORT

FROM JAN. 1, 1903 TO JAN. 1, 1904

Main pipes have been laid as follows:

In Mulberry street 1,050 feet of 6 inch pipe from house

owned by Joseph Mann to West Pleasant street.

In West Pleasant street 1,300 feet of 6 inch pipe from Mulberry street to land owned by F. P. Maynard.

In Pleasant street 112 feet of 6 inch pipe from Charles street to land owned by Geo. F. Whitcomb.

In Sullivan street 322 feet of 2 inch pipe from house No. 174 to house No. 189.

In Sullivan street 200 feet of 1½ inch pipe from house No. 189 to house No. 200.

In Sullivan street 132 feet of 1 inch pipe from house No. 200 to house No. 208.

In River street 200 feet of 1½ inch pipe from house owned by Edward Carey to barn owned by H. W. Frost.

In North street 247 feet of 2 inch pipe from house owned by Geo. Corey to house owned by A. I. Hurd.

Number of feet of main pipe laid from Jan. 1, 1903 to Jan. 1, 1904 is as follows:

2,462	feet of	6	inch pipe
569	"	2	"
400	"	1½	"
132	"	1	"

Total number of feet of pipe laid during the year, 3,563

Total number of feet of pipe taken out during the year, 76 feet of 4 inch in Mulberry street.

Number of feet of main pipe laid to Jan. 1, 1904 is as follows:

267	feet of	24	inch	cement pipe
444	"	16		cast iron "
8327	"	12		cement "
653	"	12		cast iron "
2006	"	10		" "
120	"	8		" "

Number of feet of cement pipe laid to Jan. 1, 1904, 42,732

" iron " 37,329

Total length of main pipe laid to Jan. 1, 1904, 15 miles and 861 feet.

Number of hydrants set during the year,	3
" public hydrants set to Jan. 1, 1904,	64
" private " "	16
Total number of hydrants set to Jan. 1, 1904,	80
Number of services added during the year,	36
Total number of services to Jan. 1, 1904,	822
Number of street gates set during the year,	
4 6 inch gates	
1 2 "	
Total number of street gates Jan. 1, 1904,	170
Number of meters set during the year,	12
Total number in use Jan. 1, 1904,	152
Total number of leaks in the main pipe during the year,	2

Commenced drawing water from the Johnson reservoir May 25.

The lowest point reached by the water in the Johnson reservoir during the year was 26 feet below the overflow Dec. 19.

No water was pumped into the mains from the wells during the year, although steam was kept up two weeks during the low water in December and the pump was thoroughly tested.

Respectfully submitted,
JAMES L. RICE, Superintendent.

TREASURER'S STATEMENT

Showing income and expenditures of the Claremont Water Works from Jan. 1, 1903, to Jan. 1, 1904.

INCOME

Balance on hand Jan. 1, 1903,		$ 3,139 30
Amount appropriated by town for Draper Corner extension,		1,764 70
Earnings from schedule water rents,	$7,110 92	
" meter "	4,232 01	
" hydrant "	2,505 00	13,847 93
		$18,751 93

EXPENDITURES

Construction,	
(For items see Supt. report)	$ 3,428 57
Incidental expenses,	52 33
Pumping station expenses,	111 64

Reservoir expenses,	136 69	
Salaries and office expenses,	1,488 39	
Repairs,	99 89	
Taxes,	783 34	
Cash paid town treasurer,	12,651 08	
	$18,751 93	$18,751 93
Income from water rentals,		$13,847 93
Running expenses,		2,672 28
Income above running expenses,		$11,175 65

NOTE—Owing to a change in the rules, the minimum rate for meters is collected six months in advance which makes the above income for metered water $666.00 more than the actual year's earnings.

IRA F. CHANDLER, Treasurer.

The cost of the water works was $159,000.00, and that part of this report relating to the cost of water works should be reduced $5,426.59, by taking up this amount of water works notes as soon as the accounts are again opened.

Report on Sewerage System

At the annual town meeting in March, A. D., 1903, a Committee on sewerage was appointed consisting of the Selectmen, Water Commissioners and Superintendent. The Committee organized at an early day, and H. C. Sanders was elected chairman and Geo. W. Paul was elected clerk. The Committee held a large number of meetings and after investigating the different systems of sewerage in operation in the different New England states and elsewhere, and after corresponding with different civil engineers, finally decided to employ Mr. E. Worthington of Dedham, Mass., who stands among the best civil engineers in New England. Mr. Worthington adopted the plans made by Messrs. Young & Gay for the town in 1889, and used them so far as they could be used and then proceeded to make a full and complete survey of the town with plans and

specifications. Mr. Worthington's report has been published in full and widely distributed among the citizens of Claremont. These plans and specifications can be used at any time when the town sees fit to adopt them and are perfect in all respects for a complete system of sewerage. On account of the great expense which would be incurred if these plans had been put into operation and on account of the high price of labor and material, the Committee did not feel justified in proceeding with the undertaking without first laying the whole subject before the town for its action. On examination it was found that the town had not formally adopted section 10 of chapter 79 of the public statutes, authorizing towns to construct public sewers.

This we recommend the town to do. We invite a careful study of Mr. Worthington's report before any action is taken. The Committee are deeply impressed with the importance of this subject and believe that the best interests of the people of Claremont require the construction of a sewerage system at an early day. Without making specific recommendations we ask the voters to carefully consider this subject in all of its aspects and take such action as is decided best.

H. C. SANDERS,
F. P. HUNTLEY,
GEO. F. SCOTT,
H. W. PARKER,
GEO. W. PAUL,
IRA F. CHANDLER,
JAMES L. RICE,
Committee.

HOMER C. LATHE,
Treasurer Stevens High School Committee.

REPORT OF THE SECRETARY OF THE STEVENS HIGH SCHOOL COMMITTEE

The High School building has been put in excellent condition by the repairs for which an appropriation was made at the last annual town meeting. The repairs consist of a heating and ventilating system, which has kept the building comfortable and the air fresh; a plumbing system which has greatly improved the sanitary conditions; and the painting of walls and woodwork inside the building.

The school has enjoyed a gratifying growth as indicated by the following figures showing the size of classes at the beginning of recent school years:—

	1900	1901	1902	1903
Size of 1st year class	15	17	15	18
" 2nd "	18	15	22	25
" 3rd "	23	22	23	28
" 4th "	30	26	34	43
Totals	86	80	94	114

Respectfully submitted,

THOMAS W. FRY,

Secretary of Stevens High School Committee.

School Board

To the selectmen of the town of Claremont:—

We, the School Board of the School District of the Town of Claremont, respectfully submit the following report as required by Section 12, Chapter 92, of the Public Statutes.

Number of weeks the schools have been kept:		
Fall,	14	
Winter,	11	
Spring,	11	36
Number of male teachers,		0
" female teachers,		29
" teachers employed during the year,		29
" half days attendance of all the pupils of the district,		242,937
" pupils who have attended not less than two weeks,		1,025
" scholars who have attended each school:		

Gram. building	grade 9	42	North St. building	grade 1	45
"	9-8	42	"	1	48
"	8	41	Terrace St.	2	44
"	7	36	Hunton Block	1	59
"	6	42	Draper's Corner	3-1	32
Bluff	7-6	40	West Claremont	3-1	28
"	5	37	"	4-8	26
"	4	38	Thomas Dist.		26
High St.	5	51	Slab City Dist.		14
"	4	40	Bartlett Dist.		31
Broad St.	3	53	Puckershire Dist.		26
"	2	51	Bible Hill Dist.		13
North St.	3	54	Junction Dist.		17
"	2-1	50			

Number of scholars attending to each study:

Reading,	1,025
Arithmetic,	1,025
Spelling,	1,025
Geography,	1,025
Grammar,	1,025
History,	408
Drawing,	1,025
Music,	1,025
Physiology,	1,025
Algebra,	47

The other questions asked in the above mentioned section of the statutes cannot be answered at this time since under the law as amended by our present legislature the enumeration of school children is not made until October of each year.

Respectfully submitted,
HENRY C. SANDERS, JR.,
WILLIAM W. CUSHMAN,
JAMES DURWARD,
School Board.

Claremont, N. H., July, 1903.

Chief Engineer's Report

During the year ending Feb. 15, 1904, there were sixteen (16) bell alarms of fire, as follows:

March 3, 5.55 p. m., box 25, Cossitt house, Broad St.

April 11, 9.50 p. m., box 24, Winn house, Mulberry St.

April 13, 11.20 p. m., box 17, Tremont House barn, Pleasant St.

April 27, 6.50 a. m., box 22, McGuire bobbin shop, Main St.

April 29, 1.30 p. m., box 17, brush fire at Foster lot, off West Pleasant St.

May 2, 8.40 a. m., box 22, Bean's store, Main St.

June 21, 11.30 a. m., box 14, Brisky barn, Hanover St.

July 14, 6 a. m., box 13, Gleason block, Tremont St.

July 20, 1.45 a. m., box 22, McGuire bobbin shop, Main St.

July 25, 4.50 a. m., box 14, Star bakery, North St.

August 17, 7 p. m., (no box), Dudley house, Main St.

Sept. 15, 10.20 p. m., box 13, Heywood building, Broad St.

Oct. 13, 5.15 a. m., box 22, McGuire bobbin shop, Main St.

Jan. 8, 2.25 a. m., box 13, Union block,

Jan. 19, 6.10 p. m., box 21, Baptist church.

Jan. 25, 5.20 p. m., box 17, Johnson house, Prospect St.
Number of brush fires, 11; number of still alarms, 18.

During the year there have been an unusual number of fires, but fortunately without great loss, with the exception of the fire in Union block, and at the Johnson house on Prospect street. Both of these fires occurred during extreme cold weather, while the Union block fire, breaking out in the night, had a great start before any alarm was sounded. It was also a difficult fire to reach, owing to its location, and the men of the Department being handicapped to a certain extent, by not having such equipment as a fire in the top stories of a high building calls for. The fact that only a portion of the block was touched by the fire at all, is good proof that it was a good stop and well handled.

The fire in the Johnson house had worked into the partitions and spread through the building before the alarm was given.

The brush fires, while exceeding in number those of the previous year, did not entail any serious loss, and were fortunately checked before spreading over any extensive territory.

As will be noted there were a large number of still alarms for incipient fires, the fortunate discovery of which enabled them to be handled with chemical extinguishers. For such small fires, generally in partitions or around chimneys,—and even for brush fires,—a chemical engine would be a convenience.

During the past year the electric fire alarm system has been remodeled and divided into three circuits. The service has been extended to Claremont Junction, box 44, and West Claremont, box 33, and a new switch board installed to meet the requirements of the alterations and additions. Fire alarm boxes have been placed at West Lafayette and Main Sts., No. 34, and Draper's Corner, No. 43.

The hook and ladder apparatus has been put upon runners, for winter service, proving very satisfactory and facilitating matters to a great degree in responding to alarms through deep snow and heavy travelling.

The Department equipment has also been increased by the purchase of a set of Eastman deluge nozzles.

Three hydrants have been added, viz., at Draper's Corner, corner West Pleasant and Mulberry Sts., and corner of South and Severance Sts.

RECOMMENDATIONS

I would recommend the immediate purchase of five hun-

dred (500) feet of hose, and about three (3) additional ladders for the hook and ladder truck.

I also wish to keep before property owners the fact that additional hydrants are a means of economy in the long run. They save buying hose, as well as proving safeguards to property. There should be hydrants in the rear of every business block in town,—especially one or more in Crescent St., and in the areas behind town hall and Hunton, Union and Heywood blocks.

Several important localities are yet unprovided with fire alarm boxes, noticeably Fairview, Chestnut St., corner Summer and Pleasant, corner School and Franklin, and the thickly settled district east of East Pleasant St.

It is further recommended that the town provide suitable sleeping quarters, centrally located, for four firemen, who shall be ready to answer night alarms, according to such rules and regulations as may be made. The need of such service has been shown several times the past year.

In conclusion I recommend the placing of a reel of hose at Claremont Junction.

The past year has been a hard one for the firemen, who have been called upon to combat a number of stubborn fires in extremely cold weather.

Especially sad is the case of Robert F. Dressell of Eagle hose, whose death followed exposure and injury received while on duty at the Union block fire. Hoseman Dressell had been a member of the Department for almost twenty years, and was classed as one of the most efficient men.

First Assistant Elmer J. Leavitt, a faithful member of long standing in Tiger H. & L. Co., is at present writing confined from the effects of a cold, contracted at the Prospect St. fire, that developed pneumonia.

James Collins, while driving Eagle hose team for the Prospect street fire, was thrown from his seat by the runner catching in the car tracks in Pleasant street and sustained injury to shoulder that kept him from work some little time.

I take pleasure in thanking members of the Department for hearty and willing service in all instances; the Police Department for timely assistance; and the public for its co-operation and good will.

All of which is respectfully submitted,

C. E. SEARS, Chief Engineer.

Claremont, N. H., 1904.

Report of the Treasurer of the Fiske Free Library Trustees

FOR THE YEAR ENDING FEB. 15, 1904.

RECEIVED

From Henry Judkins, for rent,	$125 00
" Miss Prefontaine, "	300 00

Balance in treasury at beginning of the year,	$103 70
Appropriated by town (balance from rents Feb 15, '03)	293 35
Total,	$397 05

EXPENDED

For books added to the library,	$323 17
Balance in treasury,	73 88
	$397 05

O. B. WAY, Treasurer.

Claremont, Feb. 15, 1904.

REPORT OF THE TREASURER OF THE TRUSTEES OF THE PARAN STEVENS FUND AND THE HELEN R. HEALEY FUND FROM FEB. 15, 1903 TO FEB. 15, 1904.

O. B. Way, J. D. Upham, J. M. Whipple, Trustees.

Since the last annual report of the Trustees of these Funds, there have been received as additions as follows: From the Stevens estate for western lands sold, $530.30; from the Helen R. Healey estate through Ira Colby, administrator, $13,575.13, and from the sale of real estate on High, Richards and Spofford streets $3,785.00. With these additions, there is now in the hands of the Trustees $78,104.56 Stevens fund, and $56,047.29 Healey fund, making a total of $134,151.85. Of this amount $134,100.00 is invested at 4 per cent interest per annum in the Claremont Water Supply Bonds. The income from these funds the ensuing year will be about $5,364.00. It is hoped this sum will be increased by the early sale of more real estate. The whole income will be paid to the Stevens High School committee from time to time as required for the support of the school.

In addition to the above there are still in charge of the Trustees the "Fiske place" belonging to the Stevens fund, and three houses and five vacant lots belonging to the Healey fund. These are to be sold at the earliest favorable opportunity and thus will the benefits to Stevens High school be notably increased.

During the year a new street (Richards street) has been built across the Healey land from High street to Spofford street, and the whole tract laid out into twenty house lots, four of which have houses thereon and sixteen are vacant. One house, "The Jacques place," and eleven vacant lots have already been sold at an aggregate price of $3,785.00. There has also been received from the sale of grass, apples and old lumber $37.50, of which $30.36 has been expended in surveying, marking lots, repairs, etc.

The Fiske house and the three Healey houses are all rented at a moderate price.

The following shows transactions with the income:

RECEIVED

Balance in treasury at the beginning of the year.	$1,334 77
Income from Stevens fund,	3,100 00
Income from Healey fund,	1,929 60
Rent of Fiske house,	20 00
	$6,384 37

PAID

To Stevens High School committee,	$4,899 77
Balance in treasury for support of school, balance of school year,	1,484 60
	$6,384 37

O. B. WAY, Treasurer.

Claremont, Feb. 15, 1904.

Board of Health

We have had reported to us during the past year the following cases of contagious diseases: Diphtheria, 8; typhoid fever, 5; scarlet fever, 8; measles, 250. Two of the eight cases of diphtheria ended fatally, and in two of the cases of measles complicated with some other disease death followed. All other cases reported ended in recovery.

During the early part of summer the State Board of Health called for the appointment of some person as inspector of milk. H. G. Case was appointed, and he received from the State Laboratory of Hygiene a case of bottles and special directions as to the method of obtaining and sending the samples of milk. The inspector obtained a sample of milk at least twice during the summer from each milk dealer and sent it as directed for examination. The report sent from the laboratory was highly satisfactory in every case. In every case the milk was found to be up to the required standard, and no sample was found to be adulterated by the addition of preservatives, coloring materials, or water.

The last issue of the Sanitary Bulletin is devoted largely to the subject of food supplies, their adulterations, legal requirements, etc. This publication is issued quarterly by the State Board of Health and is free to everybody who will send their name and address to the secretary of the board. The last issue in regard to food is of great value and should be read by everyone.

In most towns the size of Claremont there is some person employed to collect and remove garbage. Every person who keeps house will have a good many things they want to get rid of, and as a rule such garbage and rubbish is thrown in a pile

about the place somewhere, or into the street and is a cause of many complaints. We strongly urge and recommend that some person be employed by the town to collect this garbage from each house in the thickly settled part of the town once each week during the summer months at least. There is great need of something being done about a town dump and we hope the town will vote to instruct the selectmen to purchase land suitable for a town dump. Our present dump is supposed to be into the river, but a good many people who go there with loads of rubbish and all sorts of filth seem to think the public highway is just as well and more convenient. We believe it a bad practice to use either the river or the highway for the dumping place of the filth of our town.

R. L. HOWE,
G. A. ROWELL,
A. L. MARDEN, M. D.,
} Board of Health.

Auditor's Statement

We, the undersigned, auditors of the Town of Claremont, have examined the foregoing accounts of the Selectmen, Town Treasurer, Highway Agent, Overseer of the Poor, Treasurer of Stevens High School Committee, the Financial Agent of the Fiske Free Library, the Collectors of Taxes, the Superintendent of the Claremont Water Works, the Trustees of the Stevens and Healey Funds, the Manager of the Opera House and find the same correct with proper vouchers.

H. W. PARKER,
E. J. TENNEY,
JOHN M. WHIPPLE,
} Auditors.

VITAL STATISTICS.

In compliance with an Act of the Legislature passed June Session, 1887, requiring "clerks of towns and cities to furnish a transcript of the record of the births, marriages and deaths to the municipal officers for publication in the Annual Report," we submit the following:
